TOWN WARRANT

To the Inhabitants of the Town of Brentwood in the County of Rockingham in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Swasey School in Said Brentwood on Thursday the eleventh day of March next at seven of the clock in the afternoon to act upon the following subjects:

1. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.
2. To see if the Town will vote to petition the State Tax Commission to make a complete reappraisal of the taxable property and vote to raise and appropriate \$5,242.00 for said reappraisal. (By petition)
3. To see if the Town will vote to raise and appropriate the sum of \$500.00 for support of the Great Bay Association for Retarded Children.

4. To see if the Town will vote that the so-called "Old Cemetery" on Route 111A be henceforth called the "Veazey Cemetery" in memory of Benjamin Veazey, who gave the land to the Town in his will dated May 30, 1764.(By petition)
5. To see if the Town will vote to rescind Article No. 9 in the 1951 Town Report relative to the election and appointment of Fire Wards. The purpose of this article being to more effectively and accurately organize the fire protection for the Town of Brentwood consistent with legal structure approved by the New Hampshire Revised Statutes Annotated. (By petition)
6. If the above Article is voted in the affirmative, according to Chapter 154 of the State Board of Fire Control, the Chief of the Fire Department and two Deputy Chiefs will constitute three members of a five man board of Fire Wards. The two remaining members to be elected from the floor for the ensuing year and each year thereafter by ballot vote. (By petition)
7. To see if the Town will vote to authorize the Selectmen to borrow up to \$55,000.00 in anticipation of taxes.
8. To transact any other business that may legally come before this meeting.

(Note: This is not necessarily the final Warrant. The official Warrant will be posted on or before the 22nd day of February, 1970)

Given under our hands and seal, this first day of February, in the year of our Lord nineteen hundred and seventy-one.

REPORT OF THE CHIEF OF POLICE

Honorable Board of Selectmen, Citizens of Brentwood:

It is my pleasure to submit my report for the year of 1970.

This past year the work load of the department has substantially increased. Although the accidents have increased, we are proud to report no fatalities in the town.

It is with regret that two Police Officers who have been with the department a long time resigned due to the fact that they were unable to put in the time the job requires. The services of Joseph Swasey and Hubert Wendell is indeed a loss to the department.

Glen Taylor and Robert Fortier have been added to the department.

Thanks to Rila Concrete Products, Inc. and N.H. Grey Iron Co. who donated \$500.00 to the town, many added hours of night patrol were made available. While these patrols did not stop all problems, we certainly feel that the problems are much less than might have been.

A total of 429 calls with 1,397 man hours were made this year. A break down of the calls is as follows:

Bitten by dogs	3	Court Convictions	45
Accidents	45	Cattle Complaints	3
Motor Vehicles	84	Breaking & entering of motor vehicles	4

LIBRARY REPORT

Board of Selectmen, Citizens of Brentwood:

Again it is with pleasure I submit my report for the Brentwood Library. We have an especially fine selection of books both Fiction and Non-Fiction. We have also received many books from the Bookmobile and the State Library in Concord and the Exeter Library.

I have attended several Book meetings through the year, finding them very helpful in the selecting of books for our Library.

Thanks again for all your cooperation.

Respectfully submitted,

FLORENCE E. CORBETT

Hours donated by the men for repairs of trucks, etc. were equal to \$389.00 at the current rate of labor.

Hours donated by the men, burning old buildings and grass, plus standing by with a truck at the drag races, brought in the sum of \$405.00 put in a fund for new equipment, such as a FM base station radio.

A REMINDER TO THE CITIZENS OF BRENTWOOD, N.H. FROM THE BRENTWOOD FIRE DEPARTMENT

In compliance with the Rules and Regulations, No. 5001, issued by the N.H. Board of Fire Control, application for a permit to install oil burning equipment must be made to the Fire Chief. This may be used as a temporary permit authorizing the installation of oil burning equipment.

After the installation and inspection for compliance with the rules and regulations, No. 5001, of the state board of fire control, a permit to operate the oil burning equipment will be issued.

TO REPORT A FIRE DIAL 642-5452

1. Give the location of the fire.
2. Give your name.

3. Be sure you were understood.

**SYNOPSIS OF NEW HAMPSHIRE FOREST FIRE
LAWS AND REGULATIONS**

Fire Permit

A fire permit is needed for all outdoor fires in or near woodland anytime the ground is not covered with snow. This means household waste burning, even if in a barrel, grass burning, garden trash as well as brush burning in clearing operations. Such burning is restricted by regulation to be prior to 9:00 a.m. and after 5:00 p.m.

Exceptions Fire Permit

Commercial and Industrial burning is allowed during the day with permission of the district chief and a permit from the fire warden.

Household waste burning, with a permit, is allowed on rainy days between 9:00 a.m. and 5:00 p.m.

Camp or cooking fires are allowed on your own property on notification of the warden. On another's property with written permission and notification of the warden. The warden can forbid such fires if intended in a hazardous area. Permits are not required in public camp or picnic grounds where fireplaces have been built for this purpose.

Escaped Fires

If a fire escapes from your control, whether or not you have a permit, you are liable for the cost for control and extinguishment. If you start a fire illegally there is the additional chance of a fine. The landowner may also recover his loss or damages from the fire.

It is unlawful to drop or throw burning material in wooded areas.

Anyone seeing an uncontrolled and unattended forest fire is bound by statute to report it.

Penalties

1. For kindling a fire without a permit. Maximum of \$200.00 fine; or imprisonment for not more than 60 days.
2. For kindling a fire by any means wilfully or recklessly that shall endanger woodlands the maximum fine is \$500.00 or one year's imprisonment.
3. For failure to totally extinguish a camp or cooking fire before leaving it, the same penalties as in (1) above.
4. For dropping inflammable material in or near woodland maximum fine of \$25.00.
5. For smoking or kindling a fire in woodland when a ban on the same has been proclaimed, a maximum fine of \$25.00.

RALPH STEVENS

District Chief

Precautions

Always clean a space about any open fire to prevent its spread.

Never burn in dry, windy weather.

Burn preferably late in the day and check your fires the next day.

In time of high fire danger, all permits will be cancelled.

PLANNING BOARD REPORT

The Planning Board has gone through a number of changes during the past year. It was determined that the quarterly meetings demanded by State law were no longer adequate to enable the board to function so as to fulfil the needs of the town. The board voted to meet monthly on the fourth Thursday at 8 p.m. at the firehouse. All monthly meetings are open to the public.

It was voted that the function of the board be restated so as to clear up some misconceptions as to its duties. The board is the planning body of the town, not the enforcers of the rules and regulations established by the vote of the town. These functions are clearly defined by the Planning and Zoning Regulations.

Several consequential subjects were reviewed by the board. One of most interest to town planning was the development of a soil map for the town, that revealed that 80% of our town is not suitable for septic tank operations in its present condition. The continual filling of low lands will force the town into a costly sew-

erage system, unless there is careful review of each application for subdivision building permits.

Other topics being studied are growth and valuation as to type of dwelling most productive to the orderly economic growth of the town; development of a school and recreation tract for the orderly growth of the school district; and consideration of regulations prohibiting our material resources from being abused by other towns at the detriment of our town.

In the coming year there is a need for a greater amount of public assistance in the future planning of the town. A mapping committee is contemplated, also several study groups to make recommendations to the board concerning enforcement of ordinances, recreation and natural resource development, building code standard revisions and subdivision regulations.

A most significant decision by the courts upheld the unanimous vote of the Planning Board to deny a subdivision plat on a closed road. The court decision stated that the roads were closed for all purposes, thus upholding the majority vote of the town for discontinuance of the roads, and that any division of land into two or more lots whether for sale now or in the future must be approved by the planning board.

Respectfully submitted,

JOHN J. CUMMINGS

Chairman of Planning Board

CIVIL DEFENSE REPORT

Honorable Selectmen, Citizens of Brentwood:

A report for the year 1970 of the Brentwood Civil Defense Unit.

The rescue wagon was used by local residents forty-two times this past year. I would like to give sincere thanks to the interested citizens who have made donations to help defray the cost of running and supplying the rescue wagon with necessary items.

We were fortunate in being able to purchase from North Hampton, their old (new to us) ambulance.

The telephone number for use of the ambulance is 642-5452. The Fire Department will answer your call.

Be sure to keep the back page of this report handy and have all emergency numbers available at all times.

SUPERINTENDENT'S REPORT

To the Citizens of Brentwood:

A long anticipated change in the administrative organization finally became official when on November 17, 1970 a letter received from N.H. Commissioner of Education, Newell J. Paire, indicated that beginning July 1, 1971 the Brentwood School District would no longer be part of Union No. 14. This change ends a forty-one year association for it was back in 1929 that Brentwood was first assigned to Union No. 14—the same year Greenland was assigned to Union No.16 in Brentwood's place.

Although the communication from Commissioner Paire did not specify why Brentwood was being assigned to Union No.16, one can assume it is because of the AREA agreement—a program accepted by the Brentwood School District in 1966.

Union No. 14 is indeed sorry to lose Brentwood, however, this new arrangement should be most beneficial to Brentwood's educational program. Particularly improved should be the overall co-ordination between grades 1—6 and grades 7—12.

Again this year, Brentwood was extremely fortunate to retain, almost intact, its entire teaching staff, the only change being Mrs. Candace Craven who replaced Mr. Edward LeClair in mathematics. Mrs. Craven is a first year teacher with a Bachelor of Arts degree from Cocker College in South Carolina.

In the area of finances, Brentwood is now faced with the strong possibility of ending this year with a \$6,000 tuition deficit. Not only was the school board and administrators' estimate of 46 junior high and 75 high school tuition pupils for 1970-71 too low, but the further reduction of this estimated number by the school district, last March, made an even greater financial spread between what was eventually needed and what was finally appropriated. To avoid this year-end deficit, a "deficit appropriation" is being requested on March 6. The problem of mis-judging enrollments is not uncommon among our smaller New Hampshire communities especially those experiencing great fluctuation in population through the year.

The Educational Needs Committee continues to be very active and will probably be recommending an addition before September 1972. In the meantime, a re-organization within the existing plant will be necessary. The present first grade of forty pupils must be separated into two second grade divisions next year, with the possibility of a similar split in grade five. This, of course, will necessitate the definite employment of at least one additional teacher, and possibly two. In anticipation of these needs, the school board is recommending that, once again, the cafeteria be

partitioned off and that the principal's office be moved back upstairs—an arrangement used when the 7th and 8th grades were last housed at Swasey.

In the following, Assistant Superintendent of Schools, Frank Games is calling attention to the new minimum standards for elementary schools when he states:

"The New Hampshire State Board has developed a program of minimum standards to be applied to all public elementary schools. School board members have been given copies of the final draft which sets the effective date for implementation of the minimum standards as September 1, 1972. Our recent meeting with Mr. John Economopoulos, Consultant for the State Department of Education in Elementary School Services, and the subsequent conference with the elementary principals in Supervisory Union No. 14 points up some of the considerations each district must face by September 1972.

1. The local school philosophy and objectives should be developed cooperatively with the staff and community. It should have the formal approval and support of the district school board.

2. The local principal shall submit a statement of the philosophy and objectives to the Superintendent of Schools in time to meet the June 1971 deadline of the State Department of Education.

3. The elementary curriculum and staff will need to be evaluated in light of the "Minimum Standards."

4. In the curriculum the prescribed subjects include art, health, language arts, mathematics, music, physical education, science, and social studies. It will be necessary to submit a written report to show what opportunities are being offered to the pupils in each of the above areas.

5. Basic services must be established in the areas of guidance, health, library and special education for handicapped children. The evaluation of the present services and the plans for the future must be filed with the State Department of Education before September 1972.

6. The staffing of each elementary public school will create a problem for many of our smaller schools. A written policy statement identifying the nature of the work expected of all teaching personnel as well as their duties and responsibilities must be a part of the local school board policy. In some schools in our union, it may be necessary to share special services and staff to meet the minimum standards.

In this last annual report, it is only fitting that recognition be given to all past and present school board members, administrators, teachers, leading community citizens, and an untold number

of interested parents who, throughout the years, have worked so well together in making Swasey School the fine school that it is today. It has been my personal privilege to have served with some of these outstanding people.

SCHOOL WARRANT

STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the Town of Brentwood qualified to vote in district affairs:

You are hereby notified to meet at the Swasey School in said district on the sixth day of March 1971 at eight o'clock in the evening, to act upon the following subjects:

1. To determine and appoint the salaries of the School Board and Truant Officer and fix the compensation of any other officers or agents of the district.

2. To hear the reports of agents, auditors, committees, or officers chosen, and pass any vote relating thereto.
3. To choose agents and committees in relation to any subject embraced in this warrant.
4. To see if the district will vote to raise and appropriate a sum of money not to exceed \$300 for the purpose of employing the services of an architect to work with the school board in determining future building needs.
5. To see if the district will vote to raise and appropriate the sum of \$6,000.00 for the purpose of paying unanticipated tuition for the 1970-71 school year, which sum is a deficit appropriation.
6. To see if the school district will vote to approve participation in two Supervisory Union No. 16 Special Classes for the purpose of educating handicapped and/or retarded learners at a total cost of Nineteen Thousand Seven Hundred Fifty-six Dollars and to raise and appropriate the sum of One Thousand Four Dollars (\$1,004.00) as Brentwood's share of the expenses.
7. To see what sum of money the district will vote to raise and appropriate for the support of schools, for the payment of salaries for school district officers and agents, and for the payment of the statutory obligations of the district.

Note: The above warrant is unofficial. The official warrant with changes, if any, will be posted at least fourteen days prior to the meeting.
